Dear Mr. Hurlin,

The vehicle is imported solely for testing. Karma Automotive (Karma) is temporarily importing for a year a nonconforming vehicle for Testing in accordance with **40 CFR 85.1511 (b)(2)**.

My name is [Ex. 6 Personal Privacy (PP)] Vice President, Global Sales), 9950 Jeronimo Road, Irvine, CA 92618, phone number: [Ex. 6 Personal Privacy (PP)], and email address: [Ex. 6 Personal Privacy (PP)]

The vehicle information is a 2019, IVECO, Van and Vehicle Identification Number: [Ex. 6 Personal Privacy (PP)]

For the proof of vehicle ownership, please see copies of the [Ex. 4 CBI] purchase order and necessary documents provided by: [Ex. 4 CBI]

[Ex. 4 CBI]  
install and test Karma's technology in the vehicle. The duration of the importation should last a year.

**Testing information:** Karma needs to install and test different technologies [Ex. 4 CBI]

[Ex. 4 CBI] All installation and testing will be done by Karma's engineers at Karma's headquarter. Everyone involved in this project has read **40 CFR 85.1511 (b)(2)** and will comply 100% with all the requirements. Upon EPA receiving all the information about the vehicle, a compliance Memorandum will be supplied to Karma. It is Karma's understanding that the exemption will not go into effect until EPA receives a signed copy of the memorandum and an exemption letter is issued by EPA.

Karma will provide disposition of the vehicle at the end of the exemption.
